

ULRIKA SKOGELAND Biography

I have worked as a registered nurse since 1998 and Specialist Nurse since 2017. I have a master's degree in Palliative Care and education in transplantation. I am working as an assistant University Nurse in Karolinska University Hospital, at Stockholm CF Centre. Since 2010, I work with Cystic Fibrosis and adult patients. I have an interest in palliative care, transplantation and adherence to medication after lung transplantation and published together with two other authors, a review article about "Experiences of Individuals Awaiting Lung Transplantation". I am also a member in Scandinavian Specialist Group since 2013.
